

Instructor: Kyle Brubaker

School: Burke High School

Your student is participating in a P-16 service learning project in this course, which entails:

- Curriculum connection to the community, providing meaningful service to the community while giving your student a relevant understanding of their learning in the real world
- Collaboration with a UNO course
- Collaboration with a nonprofit community agency

At no time during their service learning experience will your student be outside of the supervision of an approved Burke High School employee.

By signing below, I do hereby grant permission for UNO Service Learning Academy and Country House Memory Care Facility and Aksarben Village Retirement Community to include my child in photographs, videotapes, printed materials, social media and/or local media stories related to this learning project. I authorize UNO to use these materials for informational and promotional purposes only.
