

1. After clicking the link in the email, you will see this screen. When you get to it, click button that says “Join on the web Instead.”

2. You may be prompted by your browser with allowing the program to use your computer camera and microphone (see picture below). Click “Allow” or “yes.”

3. You will have an opportunity to turn your camera and microphone off on the next screen as well as enter your name. Please do this! It should look like the picture below.

4. After you have entered your name as well as turned the camera/microphone off, select the “Join now” button. This will take you to a waiting room (see picture below) and you will be let into the meeting as we begin.

Someone in the meeting should let you in soon

If you're the organizer or the invite came from your work or school, please sign in.
